September / October 2024 CFUW Fredericton Newsletter

We are starting our 2024-2025 season with a burst of energy! Schools are open, vacations are mostly over, the air is cooler and we are in high gear for our 80th Anniversary Celebration!

The Anniversary Planning Committee has been working for the last few months to plan a great event. We have met many times over the summer, and I can with confidence say that you will enjoy it! Imagine 80 years of advocacy for women, of money raised for scholarships, and importantly, of friendships with like-minded women!

On September 29th, from 2 to 4pm, at the Killarney Lake Lodge, you will be able to celebrate all of this and much more as we welcome guest speakers, our Fredericton Musical Festival prize recipients entertain us, and enjoy the company of each other on this important day. Please RSVP to cfuwfredericton@gmail.com, or to sharonacrabb@gmail.com.

Another important event I would like to tell you about is the CFUW National Conference in Edmonton, which occurred at the end of July. What an opportunity to meet other club members, listen and interact with strong, well-informed speakers and participate in the election of our national executive. While it was sad to see Joy Hurst turn over the reins, our new president, Linda Sestock, will continue to strengthen, and progress the organization as others had before her.

I strongly urge you to go through the latest CFUW National Newsletter to see the committees which are available for you to join. While you may not be familiar with them, by joining, you get to learn from other committee members just how important your voice can be.

Welcome back everyone, I wish you all health and optimism as we ready ourselves for another great year! See you soon,

Shelley Delano Parker, President (sparker@unb.ca)
President, CFUW Fredericton

The summer is a slow time for us, no meetings except for some special committees but we still meet for luncheons. Eight women met at the Neighbourly Café on the North Side of Fredericton located on the grounds of the 12 Neighbors Community.

Our President, Dr. Shelley Delano-Parker, attended the CFUW National Annual Meeting in July in Edmonton.
